Che giornata, mio Signore quando le stelle cominceranno a cadere

Si sentirà un suono di trombe
a ridestare le genti sepolte
che guarderanno alla destra del mio Dio
quando le stelle cominceranno a cadere

Si sentirà il lamento dei peccatori
a ridestare le genti sepolte
che guarderanno alla destra del mio Dio
quando le stelle cominceranno a cadere

Si sentirà il grido dei Cristiani
a ridestare le genti sepolte
che guarderanno alla destra del mio Dio
quando le stelle cominceranno a cadere
